

gift love self-love

this festive season, help your team build new
self-care rituals for the new normal.

despite everything, you're getting things done. but now, it's time to #DoltForYourself

In this pandemic, companies find their employees who are more like family, to have gone above and beyond to keep the business healthy.

It's time to give back by gifting something that looks after their health.

we're 'The Switch Fix', an
impact-driven clean and
conscious self-care brand.

hello

this festive season, we have thoughtfully
curated self-care bundles that your resilient
team, and our planet would absolutely love.

take a look 

the new normal needs a new self-care ritual

the pandemic showed us the most extraordinary of the efforts by you and your colleagues. workstations made out of stacked books, odd working hours, never-ending con calls, mixed up work and personal life, but driven to keep your business running.

let's reward this resilience with some non-toxic self-love. This festive season treat your team with clean and conscious self-care bundles that cares for them as much as it cares our planet.

go on, ask your team to #DoltForYourself

it's unique,

there's a delicate balance between our health and our planet's.
and in a way, climate action becomes an act of self-love. self-care
nurtures this self-love. our clean and conscious self-care bundles
help you profess love for yourself and our planet in a unique way.

personal,

you are you and so self-care for you may not be the same as self-care for someone else. we understand that and so we give you the opportunity to personalize self-care bundles for yourself and for whoever you feel deserves some self-love.

go a step further with custom packaging.

conscious.

the delicate balance we have between our health and our planet is under stress. and while climate change seems like an overwhelming challenge, climate action is quite simple. we create clean and conscious self-care that's:

PLASTIC-FREE

PLANT-BASED

NON-TOXIC

HEALTHIER

CRUELTY-FREE

zero waste, not zero taste

our 'design-meet-function' approach makes our gift boxes stand out and sturdy enough to be used again to store your valuables.

made using recycled and/or FSC approved paper, our boxes are also shipped plastic-free and are 100% biodegradable and home compostable.

ask our team for customised packaging solution that includes your business logo and information.
